

## Emmaus Christian School Inclement Weather Information

TO: All Parents  
FROM: ECS School Administration  
SUBJECT: School Closures & Delays due to Weather Conditions  
DATE: 2006-2007

Emmaus Christian School is a member of the School Announcement Network. School delays and closures will be reported on area radio and television stations. In addition, a regional web page has been established for area schools to use for publishing school delays and closures. Parents and students may access the website for inclement weather delay or closure information. The Web site is:

<http://FlashAlert.net>

or by checking the Inclement Weather Link at:

<http://emmauschristianschool.org>

The information should be available by 6:30 am on the day school is to be closed or delayed.

Because of the diverse weather conditions that can exist within the area from which our students come, our policy will be:

- A. If local hazardous road conditions jeopardize the safety of students, their absence from school will be excused on the basis of parental decision.
- B. If the educational welfare of our students requires a make-up day, it will be scheduled with ample advance information. All drivers are urged to give first consideration to the safety of their students. Questions regarding the operation of this policy are to be referred to the school principal.
